

What is AmeriCorps?

AmeriCorps is the federal agency for national service and volunteerism. AmeriCorps provides opportunities for Americans of all backgrounds to serve their country, address the nation's most pressing challenges, improve lives and communities, and strengthen civic engagement.

Find Your Fit

Choose the service opportunity that fits your passion, goals, and schedule, and lifestyle.

Benefit from Service

Members and volunteers can receive benefits including education awards, housing stipends, living allowances, and supplemental health insurance depending on the program.

Build a Network

Join the AmeriCorps network of more than 1.2 million. Alumni continue to give back after service. You will build connections unlike any others.

We empower an entire ecosystem of service.

AmeriCorps State and National

State and National is the largest of the AmeriCorps programs. Thousands of opportunities exist in locations across the country to serve in education, health, environment, economic, veterans support, and disaster relief.

AmeriCorps VISTA

VISTA connects members to various organizations to fight poverty. Through fundraising, volunteer recruitment, program development, and more, members gain skills that put them on track for a life of service in the public, private, or nonprofit sector.

AmeriCorps NCCC

NCCC is a full-time, team-based, residential program for 18–26-year-olds who travel where needed most. Members build homes for families in need or accelerate our nation's capacity to respond to a crisis.

AmeriCorps Seniors Foster Grandparents

Foster Grandparents engage Americans aged 55 and older in providing one-on-one mentoring and academic support to children with special or exceptional needs.

AmeriCorps Seniors Senior Companions

Senior Companions engage Americans aged 55 and older in providing supportive, individualized services to help homebound seniors and other adults maintain their dignity and independence.

AmeriCorps Seniors RSVP

RSVP engages Americans aged 55 and older in tutoring and mentoring youth, responding to natural disasters, supporting veterans and their families, and meeting other critical needs.

Enrich your life by helping others.

As an AmeriCorps member, you can choose the service opportunity that aligns with your passions.

Education

Mentor students to higher academic achievement, and keep them on track to graduate. Inspire creativity with STEM and robotics programs, or design cost-effective solutions to support teachers and tutors.

Disaster Response

Be among the first to respond when disaster strikes or help rebuild in the months following. Assist disaster survivors, and act as a force multiplier for other organizations on the ground.

Healthy Futures

Promote health and wellness. Combat the COVID-19 pandemic, tackle the growing opioid crisis, provide independent living services to seniors, and address food insecurity by building gardens and harvesting food for local families.

Environmental Stewardship

Get outdoors and restore public lands or bring environmental stewardship into classrooms.

Economic Opportunity

Build community and family stability. Build and rehabilitate affordable housing, provide financial literacy training, or connect people to jobs.

Veterans & Military Families

Connect veterans and military families to benefits, job resources, education options, and a community that understands the value of their service.
