PARTNER

Bringing out the Best in America

By bringing people together to serve communities, AmeriCorps is making service to others an indispensable part of the American experience.

AmeriCorps and AmeriCorps Seniors offer individuals and organizations flexible ways to make a local and lasting impact through our programs: State and National, VISTA, NCCC, Foster Grandparents, Senior Companions, RSVP, and Volunteer Generation Fund. AmeriCorps also supports volunteerism through National Days of Service, including 9/11 Day and MLK Day.

Segal AmeriCorps Education Award

After successful completion of service, AmeriCorps members earn a Segal AmeriCorps Education Award to pay for qualified educational costs. Since 1994, AmeriCorps members have earned education awards totaling more than \$4.5 billion.

We focus on these key areas to make an impact:

UNITE

We bridge divides by bringing people together: connecting individuals and organizations to help communities tackle their toughest challenges.

LEAD

We empower an entire ecosystem committed to the betterment of communities across America.

STRENGTHEN

We provide resources and people power to organizations dedicated to the improvement of communities.

IMPACT

We enrich the lives of those we serve and those who serve.

Education

Our members and volunteers support students in public, private, and charter schools across the country. Through our work, we improve attendance and engagement, increase high-school graduation rates and expand college enrollment.

Economic Opportunity

Our programs serve as a pathway to employment opportunities and help develop vital work skills. We build and rehabilitate affordable housing, provide financial literacy training, and connect people to jobs.

Disaster Response

When disaster strikes, we repair homes, assist survivors and help restore communities when it matters most. We have deployed thousands of members and volunteers to areas affected by hurricanes, wildfires, floods, and tornadoes.

Environmental Stewardship

We serve on projects that cover thousands of acres of public lands across America—including many with the National Park Service. We help conserve natural habitats, protect clean air and water, and reduce utility bills by improving home energy efficiency.

Healthy Futures

We provide independent living services to more than 310,000 elderly Americans. We also build the capacity of food banks, combat the opioid crisis, tackle homelessness, and address food insecurity.

Veterans

We provide assistance to more than 245,000 veterans and military families by connecting them to education opportunities, jobs, and the benefits they have earned. Many veterans also volunteer with us so they can continue to serve their country.
